

# DFG250 SINGLE HEAD CONCRETE GRINDER

## HEAVY-DUTY GRINDER

A great choice for both rental companies and contractors

- Raise or lower machine with simple foot pedal
- Anti vibration handle bar mounts
- Dust free when used with a suitable vacuum
- Adjustable rear axle allows for two weighted settings
- Screw type hand wheel allows machine to be set accurately to the surface
- Removable weight to vary grinding pressure
- Water can be applied to head for wet grinding
- 10" (25cm) working width
- Built in lifting handles
- Compatible with SlideMAG or standard 10" diamond plate tooling
