

VERSATILE DUAL HEAD CONCRETE GRINDER

Incredibly easy to operate!

The wide range of grinding tools and operating options make the DELTA II grinder extremely versatile, capable of grinding most types of floors including concrete, terazzo and asphalt.

- Pair with an industrial vacuum for a dust free working environment
- Vibration and noise levels have been reduced to a minimum for operator safety and comfort
- Ideal for surface preparation prior to the application of epoxy and similar coatings
- Effectively remove rubber deposits, adhesives, bituminous coatings and impacted dirt from factory floors.
