

# B446MEGA-T PRO SERIES POWER TROWEL

POWERED by **HONDA**™

## 4 FOOT POWER TROWEL

Built for the professional, for ultimate productivity!

The CVT transmission sets the Mega-T apart from the others, delivering high torque at any speed. A diameter of 46 inches gives you the higher production rates you need to conquer your biggest finishing jobs quickly and easily.

Bartell's long-lasting consumables, wide range of purchasing options, plus our legendary balance and quality make the Mega-T... and ALL our power trowels... incredibly economical. We easily outperform competitors' more expensive models!

- Precision balanced for smooth, easy operation
- Robust gear box with high tensile steel shafting for long life
- Cast iron spider assembly and precision ground arms for tight tolerances and faster troweling
- Includes blades (combination or finishing)
- Chrome plating for easy clean-up
- Centrifugal safety switch
- Throttle control on handle
- Hoist hook and Pro-Pitch available as optional upgrades
- Optional muffler for safe indoor use
