

## LIGHTER-WEIGHT JUMPING JACK FOR LIGHT COMPACTION APPLICATIONS

The BT1000 Tamping Rammer offers less compaction force than our standard rammers but still packs a punch. Great for light compaction applications.

### FEATURES

- Adjustable height operators handle for operator comfort
- Honda GX100 powered with diaphragm carburetor
- Heavy-duty throttle control provides longer life
- Dual air filtration keeps the dirt where it belongs: out of your engine
- Integrated fuel valve provided for easy starting
- Heavy shock mount system to reduce hand-arm vibration and improve operator comfort
- Protective roll cage prevents possible damage on job site
- Integrated roller and lift handle makes loading and unloading a one-person job
- Transport dolly included
