

**AFFORDABLE  
PORTABLE  
WET TILE SAW**

**TECHNICAL SPECS**

<b>Horse Power</b>	1.5 HP
<b>Blade Diameter</b>	7" (18cm)
<b>Max Rip Length</b>	20" (51cm)
<b>Max Diagonal Cut</b>	14" (36cm)
<b>Useage</b>	Tile, Wet

**FEATURES**

- Uses 7" diameter blade, combining high performance, increased cutting capacity, and improved durability.
- Handles virtually any tile job. The high power is complemented by a generous cutting capacity that allows for cutting lengths of up to 20" straight and 14" diagonal.
- Ideal for contractors in need of an affordable, portable, wet tile saw that will deliver.
- Electronic Data Interchange system indicates the status of system functions.
