

MODUL200 SHOTBLASTER

THE ULTIMATE IN MOBILE, DUST-FREE BLAST CLEANING

The MODUL200 offers the ultimate in mobile, dust free blast cleaning. The blast width of the basic MODUL 200 can be quickly increased by the addition of one MODUL200 EU (Extension Unit). The 200/2 modular assemblies can be broken down into their base components of a MODUL200 + one MODUL200 EU for ease of access and maneuverability.

FEATURES

- Compact dimensions
- Very maneuverable
- MODUL200/2® can be transported in a small van or trailer
- Exclusive "Travel Mode" prevents damage to dust skirt during transportation, loading, and unloading
- Easy transport to the site
- Long service life on consumables
