

## HEAVY-DUTY DUAL HEAD GRINDER

- Twin head design
- 20" (50cm) working width
- Removeable ballast weights
- Push-button hydraulic raise and lower
- Anti vibration handle bar mounts
- Dust free when used with SPE316 vacuum
- Screw type hand wheel allows machine to be set accurately to the surface
- Compatible with SlideMAG or standard 10" diamond plate tooling
- Multi purpose
- Thermal overload protection
- Maintenance free
- Low noise
- Low vibration
- Safety start mechanism

### TECHNICAL SPECS

Power Source	Dual Electric Motors
Power Output	2 x 7.4hp, 460V
Head Speed	335 rpm
Motor Speed	2800 rpm
Working Width Max	20" (50cm)
Length	55" (140cm)
Width	28.5" (72cm)
Height	43" (110cm)
Weight	660 lbs (300kg)
Removable Weight	2 x 44 lbs (2 x 20kg)
