

ELGATOR SHOTBLASTER

ENORMOUS POWER IN A COMPACT, MANEUVERABLE, LOW PROFILE UNIT

This shot blaster houses enormous power in a compact, low overall height unit that is extremely maneuverable. The result is incredible performance.

For steel blasting or coatings removal, there is the option of 2 x 21.5 kW (28.5 hp) motors! Utilizes two long-lasting blast wheels engineered with our unique 6-blade technology. Perfect for hard topping concrete floors, steel surfaces, coatings and more.

FEATURES

- Most powerful shotblaster engineered by CONTEC
- Precise, even blast pattern across the full width
- Compact dimensions and very maneuverable
- Exclusive "Travel Mode" prevents damage to dust skirt during transportation, loading and unloading
- Easily transportable to your job site
- Long service life on consumables, all individually changeable, reduces operation and maintenance costs
- Designed to be user maintainable
