

ST710EDI TABLE SAW

AFFORDABLE PORTABLE WET TILE SAW

- Uses 7" diameter blade, combining high performance, increased cutting capacity, and improved durability.
- Handles virtually any tile job. The high power is complemented by a generous cutting capacity that allows for cutting lengths of up to 20" straight and 14" diagonal.
- Ideal for contractors in need of an affordable, portable, wet tile saw that will deliver.
- Electronic Data Interchange system indicates the status of system functions.
